Here's a little something to
warm your WINTER

*Tiptoe through the
tulips with me.*

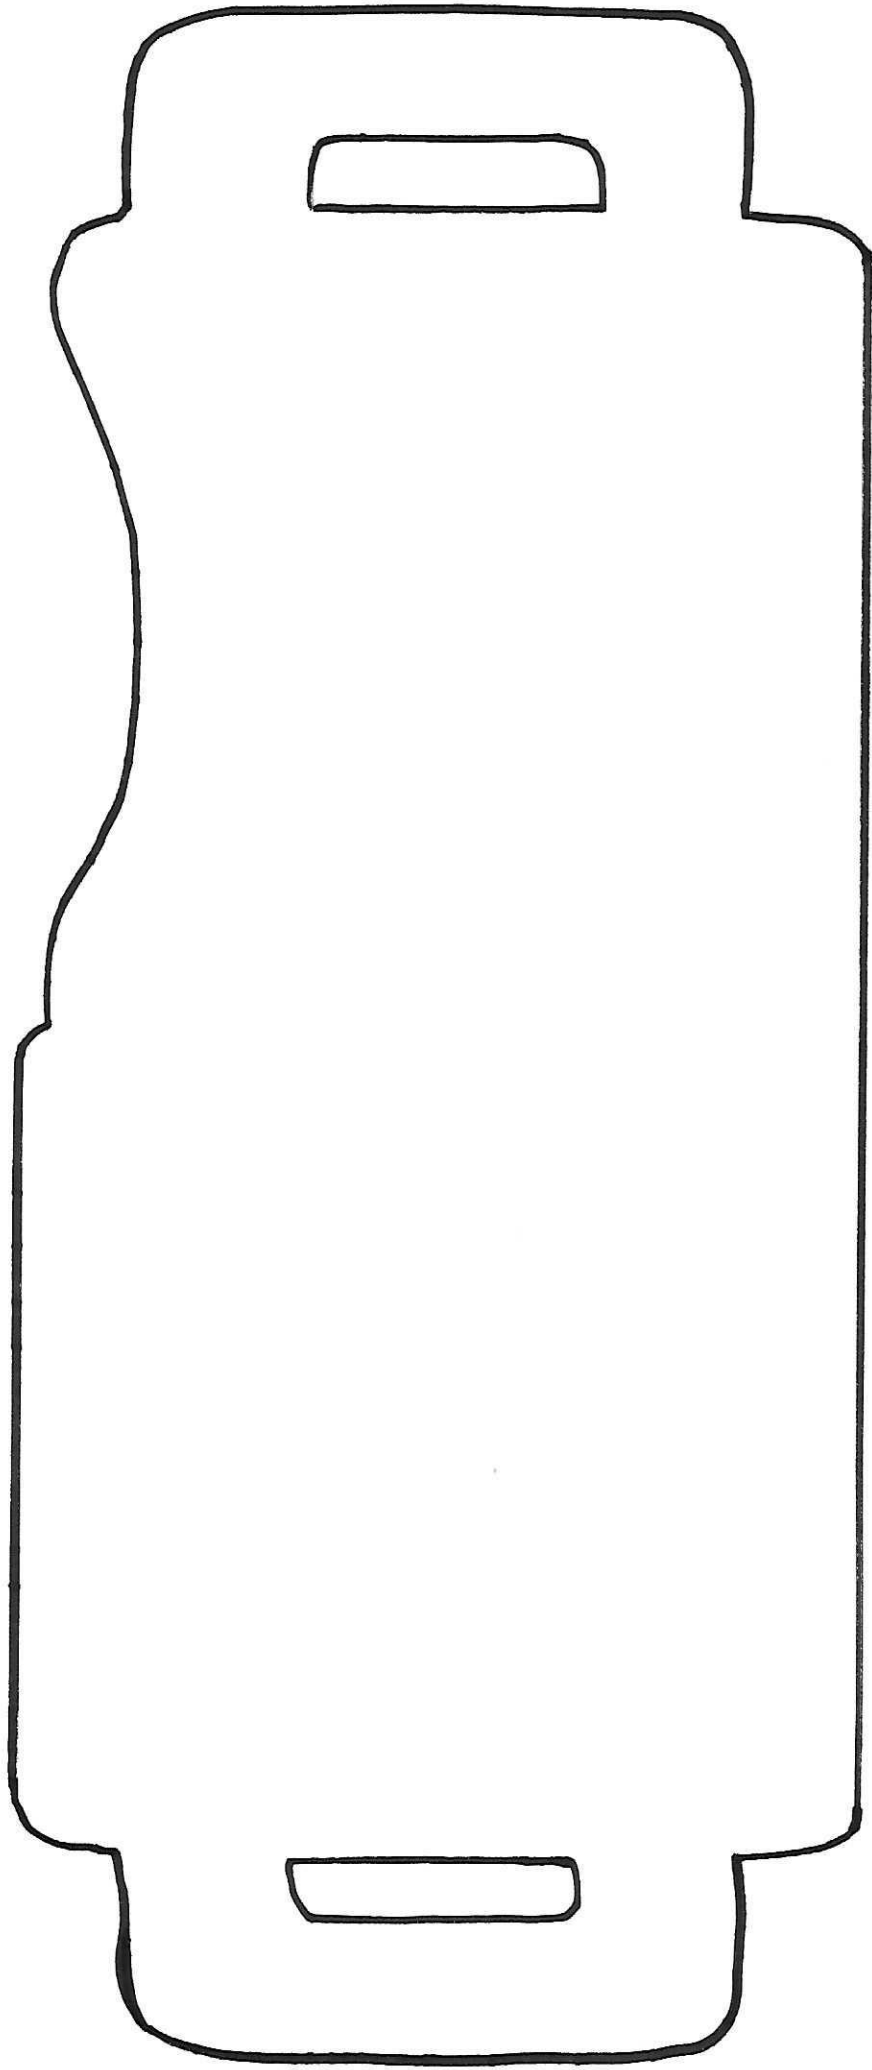

Here's a little something to
put a bounce in your SPRING

When life hands you lemons,
make Lemonade!

Here's a little something to
brighten your SUMMER

Falling leaves...
Fall on me.

Here's a little something to
spice up your FALL

Trace pattern onto the backside of your decorative scrapbooking paper. Cut out with scissors and fold in half lining up the handles (use an X-Acto knife or razor blade for handles). Use scrapbooking adhesive to hold the sides, bottom, and the handle together. Carefully insert your contents into the top portion of the mug. Embellish your mug with a cute saying.
